VIRTUAL ESCAPE ROOM FAQs

Escape Room FAQ's

How does this work?

- Participants register on our website and join a video stream that we host. Once in the video stream, we place them into breakout rooms with their team members and send them the link to the escape room website. During the game they communicate with their team members via the video stream to discuss their game and they can request a moderator join their room at any time for help or hints.

Escape Room FAQ's

Can participants join as individual players?

- Yes, players can either join individually or as a team. If individuals register to play, they will be placed into teams.

Escape Room FAQ's

## How many players can participate in the event?

- Up to 500 players can play during the event and we can accommodate Larger groups up to 1,000 players (additional fees apply).

Escape Room FAQ's

How long does the event last?

- There is a total of 2 hours advertised time and 3 hours of play time. During the event time, new games are started as players arrive so players can join anytime. The last game started 1 hour before the end of the 3 hour play time.
